## *University Libraries*

**Please Join Us**

**Thursday, February 4, 2010**

**10-11:30 AM**

**90 Snell Library**

For a training session on *Web of Science*

- to help you identify research funding information
  - to see where funding money is going
- to learn what research has been developed from a specific grant
- to understand who funded research at particular institutions

Don Sechler, of Thomson-Reuters, will conduct a workshop on how faculty and researchers can best use the *Web of Science* database.

Questions? Please contact Head Librarian-Research and Instruction Jamie Dendy at [j.dendy@neu.edu](mailto:j.dendy@neu.edu), 617-373-3344.
